Lillian:

This will notify you, Brittany, and Jonathan of a correction I need to make to an answer I gave during yesterday's call with regard to the Dothan matter. When asked about the appeal period following the entry of an Order by the Alabama Environmental Management Commission, I responded with "42 days." This is incorrect, as I was referring to a different appeal provision. The correct answer is 30 days. See, § 22-22A-7(6), Ala.Code (1975), as amended.

I apologize for the confusion, and thank you for making this correction to your notes from yesterday's call.
